CAMPING SEASON: This campground opens in early April and closes in mid-October.

RESERVATIONS: Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the contact station or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards; personal, traveler's, and cashier's checks; or a Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be received within ten days of making the reservation.

For reservations, call the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM or visit <http://pennsylvaniastateparks.reserveamerica.com>.

CAMPSITE ISSUING: Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the site availability listing.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

CHANGES AND CANCELLATIONS: Cancellations, changes, or transfers to reservations will be assessed a fee and can be made prior to arrival by the Pennsylvania State Parks Reservation Center.

Any cancellation, change, or transfer made upon arrival must be processed through the state park. For complete information on fees, cancellations, changes, transfers, and discount policies, view the Reservation Cancellation/Change Policy at the website in the "Reservations" section above.

QUIET HOURS: Campers must not disturb the sleep of others between 9:00 PM and 8:00 AM.

NOISE: Operation of electric generators that create excessive noise is prohibited.

OCCUPANCY: Site occupancy is limited to one family unit (persons living under one household) or five unrelated people per site. Occupants must include at least one person 18 years of age or older at all times.

MOTOR VEHICLES: Park only in designated areas. Only one vehicle is permitted at a campsite in addition to a camping unit. If permitted, additional vehicles can park on the camping spur for a fee or in the second car parking area at no charge.

VISITORS: Visitors are welcome on campsites from 8:00 AM to 10:00 PM.

Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

- Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.

- Please camp only in designated areas and minimize your impact on the campsite.

- Prevent wild fires. Fires are only permitted in fire rings or grills. Gas and propane camp stoves are permitted. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.

- Firewood is not provided. Firewood can be purchased at the entrance of the campground. Sales are offered by the Friends of Little Buffalo and proceeds benefit the park. Cutting live or standing trees and the operation of chainsaws are prohibited.

- Firewood Advisory: Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Use local firewood. Do not take wood home and do not leave firewood. Burn it!

- Handwashing and dishwashing are permitted only where appropriate facilities are available. Dishwashing sinks are on the back of the restroom building. Washing is prohibited at water spigots, hand pumps, springs, lakes, and streams.

- Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.

- Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.
