

S. B. Elliott State Park Pavilions

Pavilions #2, #3, and #4 are the only reservable pavilions in the park. When not posted with "*Reserved*", these pavilions are first-come, first-serve. Pavilions do not have electricity.

The other pavilions and shelters in the park are non-reservable and are always first-come, first-serve.

For an enjoyable visit, obey all park rules including:

- **Trash** -- The day-use area at S. B. Elliott is "Carry in--carry out."
- **Parking** -- Parking near pavilions is sometimes limited. Obey parking signage throughout the park and only park in designated areas.
- **Pets** -- Leashed pets are welcome in the day-use area. Pets must be attended at all times. Pet waste must be picked up and disposed of properly.
