Pine Grove Furnace State Park

Steeped in natural and historical features, the 696-acre Pine Grove Furnace State Park is at the northern tip of the Blue Ridge Mountains, in an area known as South Mountain.

Visitors enjoy many recreational opportunities, including two mountain lakes (Laurel Lake and Fuller Lake) hiking the Appalachian Trail, biking the rail trail, visiting the Appalachian Trail Museum, and imagining when the park was a charcoal-fired iron furnace community. The park is surrounded by Michaux State Forest, which provides opportunities for exploring extensive public lands around South Mountain.
