

Lyman Run State Park

Lower Campground and Daggett Run Campground offer two camping areas with similar conveniences. Both campgrounds have pet-friendly, modern campsites (electric, non-electric, pull-thru, and walk-to) with ADA accessible restrooms with warm showers. The sanitary dump station is in the Lower Campground. The park office, concessions, beach, ATV trailhead, and amphitheater are between the two campgrounds. Walk-to sites are accessed by trail and have parking along the road. Sites 24 and 29 have a steep trail. Lower Campground allows ATV camping seasonally.

CAMPING SEASON: Both campgrounds open in mid-April. Daggett Run Campground closes in early November. Lower Campground closes in early December.

RESERVATIONS: Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the park office or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards; personal, traveler's, and cashier's checks; or a Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be received within ten days of making the reservation.

For reservations, call the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM or visit <http://pennsylvaniastateparks.reserveamerica.com>.

CAMPSITE ISSUING: Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions, check the site availability listing, and then proceed to an available site.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

CHANGES AND CANCELLATIONS: Cancellations, changes, or transfers to reservations will be assessed a fee and can be made prior to arrival by the Pennsylvania State Parks Reservation Center.

Any cancellation, change, or transfer made upon arrival must be processed through the state park. For complete information on fees, cancellations, changes, transfers, and discount policies, view the Reservation Cancellation/Change Policy at the website above in the "Reservations" section.

Campground Rules

CHECK-IN/CHECK-OUT TIME: Check-in time is 3:00 PM. Campsites must be vacated by 3:00 PM.

ATV PILOT PROGRAM: Campers staying in the Lower Campground are able to drive ATVs on the campground road to access the Susquehannock ATV trail system the Friday before Memorial Day to the last Sunday in September. Operators must follow all DCNR ATV rules and regulations and have a valid driver's license.

ALCOHOLIC BEVERAGES: Alcoholic beverages are prohibited in all Pennsylvania state parks.

PETS: Pets are permitted at all sites in the Lower Campground and only sites 1-6 in Daggett Run Campground. Please contact the park office for pet guidelines.

Pets are prohibited in swimming areas, buildings, and all overnight facilities not participating in the pet program. Guide dogs and service dogs are not considered pets.

NOISE: Campers must not disturb the sleep of others between 9:00 PM and 8:00 AM. Operation of electric generators that create excessive noise is prohibited.

OCCUPANCY: Site occupancy is limited to one family unit (persons living under one household) or five unrelated people per site. Occupants must include at least one person 18 years of age or older at all times.

MOTOR VEHICLES: Park only in designated areas. Only one vehicle is permitted at a campsite in addition to a camping unit. If permitted, additional vehicles can park on the camping spur for a fee or in the second car parking area at no charge.

MINIMUM/MAXIMUM CAMPING PERIOD: Campers may stay in a state park campground up to 14 consecutive nights from Memorial Day to Labor Day. If reserving a Saturday during the summer season, a two-night minimum stay is required. Campers may camp up to 21 consecutive nights during the remainder of the year.

HUNTING: Use **extreme caution** with firearms at all times. Other visitors use the park during hunting seasons. Firearms and archery equipment used for hunting may be uncased and ready for use only in authorized hunting areas during hunting seasons. In areas not open to hunting or during non-hunting seasons, firearms and archery equipment shall be kept in the owner's vehicle or enclosed trailer. Exceptions include: law enforcement officers and individuals with a valid *Pennsylvania License to Carry Firearms* are authorized to carry a firearm concealed on their person while they are within a state park.

Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

- Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.

- Please camp only in designated areas and minimize your impact on the campsite.

- Prevent wild fires. Fires are only permitted in fire rings or grills. Gas and propane camp stoves are permitted. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.

- Firewood is not provided. Cutting live or standing trees and the operation of chainsaws are prohibited.

- Firewood Advisory: Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Use local firewood. Do not take wood home and do not leave firewood. Burn it!

- Handwashing and dishwashing are permitted only where appropriate facilities are available. Washing is prohibited at water spigots, hand pumps, springs, lakes, and streams.

- Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.

- Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.

- Please recycle. Place trash accumulated during your stay in proper receptacles or take it home with you.

Access for People with Disabilities

This publication text is available in alternative formats. If you need an accommodation to participate in park activities due to a disability, please contact the park you plan to visit.
