BALD EAGLE STATE FOREST CAMPING POLICY

Camping in accordance with State Forest Rules & Regulations and this Camping Policy is permitted on the Bald Eagle State Forest. Camping reservations can be made by calling Reserve America 1-888-727-2757 or Online at PennsylvaniaStateParks.reserveamerica.com reservations can be made 11 months in advance of the camping trip. You must have the permit with you during your entire stay at your campsite. A camping permit will not be issued to anyone under the age of 18.

MOTORIZED CAMPING – is overnight camping in or near the vehicle, where the vehicle continues to be used for storage or transportation. Camping is conducted in a tent, trailer, van, recreational vehicle, etc., at a designated and numbered state forest campsite. Motorized camping is allowed only at designated sites. Permits are valid from 3:00pm of the “From” date to 3:00pm of the “To” date. The permittee must notify the Forest District Office if the arrival or departure date changes from that listed on the Camping Permit. The permittee must occupy the location listed on the Camping Permit within 24 hours of the arrival date noted on the Camping Permit. The Forest District Manager, or designee, reserves the right to revoke a valid Camping Permit if the permit holder is found in violation of State Forest Rules and Regulations or Camping Permit Conditions. The Forest District Manager, or designee, can suspend camping privileges for a period of up to 90 days. Applicants will receive written notification following a permit denial.

- No more than 10 people are allowed per Camping Permit and/or per campsite at one time.
- A designated dispersed campsite is a relatively small, distinctly defined area, accessible from a state forest road or drivable trail, to accommodate one or a maximum of 2 vehicles, a fire ring, and space for the camping unit (1 camper/trailer per site).
- There is a limit of 7 continuous days of camping on the Bald Eagle State Forest. Camping cannot be resumed until 48 hours have passed. All vehicles and camping equipment must be removed from state forest land during this time.
- Human waste must be buried at least six (6) inches below ground level and at least 200 feet from any water source. Self-contained units must dispose of waste at a proper disposal site. There are no disposal sites on the Bald Eagle State Forest.
- All trash and refuse generated by campers must be removed from state forest land and disposed of in accordance with State Forest Rules and Regulations and DEP's Solid Waste Management Act of July 31, 1968.
- Small open fires for cooking or warming are permitted where adequate precautions are taken to prevent their spread into the forest except when the wildfire rating is High, Very High, or Extreme and from March 1 through May 25, unless authorized by the Forest District Manager, or designee. Self-contained stoves can be used during these periods.
- Downed and dead firewood can be picked up on and around the site for use while camping. Use of power saws is not permitted without a Fuelwood Permit.
- Campfires at designated camping sites must be in metal fire ring only. Attend to your fire at all times. Fires must be completely extinguished before leaving campsite. Ashes must be buried or removed prior to leaving the site.
- No nails are to be placed in trees.
- All strings, ropes, wires, etc. must be removed prior to departure.
- Tables, chairs, or other furniture will not be left on site after departure.

CAMPING WITH DOMESTIC ANIMALS:

- Animals cannot be left unattended. They must be controlled at all times.
- Chains, or any other restraints, cannot be attached to trees or shrubs.
- Tether lines must be used when horses are kept on site.
- Manure must be removed from site.

YOU will be held responsible for the condition of your site when you leave!

Non-compliance with this policy and the camping permit conditions will result in the loss of future camping privileges on the Bald Eagle State Forest.

Permits may be requested by calling Reserve America at 1-888-727-2757 or online at PennsylvaniaStateParks.reserveamerica.com The responsible party should have their information ready for the request, including their driver's license number, vehicle information, and contact information.
