

Sideling Hill Cross Country Ski Trail

The Sideling Hill Cross-country Ski Trail is a system of interconnecting loops totaling 4 miles. The trail system utilizes old logging roads and trails that offer gentle curves and hills. There are varying levels of difficulty on this trail due to terrain.

Cross-country skiing is the primary use on this trail system but it is also open to hiking, mountain biking, and equestrian use.

Note: The western loop of this trail is also joint use with snowmobiles.

The trail is marked with blue 2 x 6 inch rectangles. The trails shown on this map are also marked with numbered reference points at trail intersections that correspond to the numbers identified on the map.

Dual Certified Forest

Pennsylvania's 2.2-million-acre state forest system is one of the largest dual certified forests in North America. The forest is certified under Forest Stewardship Council™ and Sustainable Forestry Initiative® standards. The FSC® is an independent organization supporting environmentally appropriate, socially beneficial, and economically viable management of the world's forests. SFI® certification focuses on protection of water quality, biodiversity, wildlife habitat, species at risk, and forests with exceptional conservation value. Dual certification ensures that Pennsylvania's state forests are managed to the highest third-party standards.
