AND NATURAL RESOURCES  
BUREAU OF FORESTRY

Motorized camping, commonly referred to as “car camping” or “roadside camping”, is defined as overnight camping in or near a vehicle where the vehicle is used for storage or transportation.

Keep in mind there are no modern conveniences on state forest land such as dump stations, utility hook-ups, showers, trash disposal, or water.

Sproul State Forest offers nine designated motorized campsites which are set aside for RVs only, no tent camping. Self-contained toilets are required.

The nine designated motorized campsites may be reserved up to 90 days in advance. See the [Interactive Pa. State Forest Camping Sites Map](#) to check availability and apply for a camping permit.

Permit requests are processed in the order received and time permitting.

Submitting an application does not guarantee the availability of the site or right to camp. A permit must be issued by the forest district.

For those wishing to camp at non-designated locations or those who have questions, contact the forest district directly by email at [fd10@pa.gov](mailto:fd10@pa.gov) or by calling 570-923-6011.

Office hours are Monday-Friday, 8:00 A.M. to 4:00 P.M., closed state holidays.
