

Poe Valley State Park

The wooded campground has modern campsites (electric, non-electric, and pet-friendly) and camping cottages. It has a sanitary dump station, swings, amphitheater, and a modern restroom with warm showers. Campers may moor boats by the boat launch.

Camping cottages sleep five people in single bunk beds and double/single bunk beds. They have dining table and chairs, porch, and electric heat. In addition, the deluxe camping cottage has two rooms with a stove, microwave, and refrigerator. Cottages do not have water, but it is available at the nearby shower house.

CAMPING SEASON: This campground opens in mid-April and closes in early December. Access is not guaranteed in the winter months.

RESERVATIONS: Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the contact station or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards; personal, traveler's, and cashier's checks; or a Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be received within ten days of making the reservation.

For reservations, call the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM or visit <http://pennsylvaniastateparks.reserveamerica.com>.

CAMPSITE ISSUING: Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions and check the site availability listing.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

VISITORS: Visitors are welcome on campsites from 8:00 AM to 10:00 PM.

Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

- Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.
- Please camp only in designated areas and minimize your impact on the campsite.
- Prevent wild fires. Fires are only permitted in fire rings or grills. Gas and propane camp stoves are permitted. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.
- Firewood is not provided. Cutting live or standing trees and the operation of chainsaws are prohibited.
- Firewood Advisory: Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Use local firewood. Do not take wood home and do not leave firewood. Burn it!
- Handwashing and dishwashing are permitted only where appropriate facilities are available. Washing is prohibited at water spigots, hand pumps, springs, lakes, and streams.
- Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.
- Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.
- Please recycle. Place trash accumulated during your stay in proper receptacles or take it home with you.
