A. CONTACT INFORMATION:

1. In Case of Emergency – Call 911

For emergencies involving medical response, law enforcement, fire, boating accidents, missing persons, or other immediate threats, call **911**.

2. General Information

For information about rental boats, bait, fishing equipment, gasoline, and other supplies call the Prince Gallitzin Marina **814-674-2499** or the **Park Office at 814-674-1000**.

For all other general information or questions and concerns, please call the **Park Office at 814-674-1000**.

3. Rental Boats

For issues with any rental boats, call the Prince Gallitzin Marina Concession at **814-674-2499**.

4. Safety Hazards and Maintenance Concerns

Call the Park Office at **814-674-1000** or **contact the Marina Host**.

5. Vandalism or Thefts

Call the park office at **814-674-1000** or **contact the Marina Host**

After normal business hours or if a marina host is unavailable, call **911** and ask for a Prince Gallitzin Park Ranger.

B. SEASON DATES:

1. Boat Rack spaces are available April 1 through October 31

2. Dry storage parking spaces are available April 1 through October 31

3. Marina slips are available May 1 through October 31

4. Shoreline mooring spaces are available April 1 through October 31

C. DEFINITIONS OF BOATING TERMINOLOGY:

1. Occupant – The current owner, lessee, permittee or slip holder.

2. Resident – is any person who pays Commonwealth of Pennsylvania Income Taxes and/or maintains a full time residence in Pennsylvania. **A valid Pennsylvania Driver's License will validate residency.**

3. Shoreline Mooring Space – A section of shoreline available for the purpose of tying a boat or placing a boat.

Note: Slip, Space, and Mooring may be used interchangeably in this manual.

4. Slip – The marina space which a boat occupies.

5. Transfer List- **A list of customers who have paid to transfer to specific boat spaces or slips that may become available WITHIN THE SAME AREA THEY ARE CURRENTLY OCCUPYING.** These boaters are already in a paid slip or space and are requesting to move to a specific slip or space within that same area.

- 6. Waiting List-** A list of customers who have paid to wait for a boat space or slip to become available because the area requested is at capacity; therefore, spaces or slips are not available at the time of request.

D. BOAT SLIP GUIDELINES:

1. Boat Ownership

The occupant must be the registered owner or a registered co-owner of the boat. If the slip holder purchases a new boat or motor while in the current contract, the boat must be of like type and size designated for the assigned slip. The owner is responsible for immediately contacting the Park Office after the purchase of the new boat so all boat information can be updated. It is the responsibility of the boat owner to notify the park of changes in owner status, mailing address, telephone number and email address changes.

An occupant who sells a boat and no longer retains ownership may not lease the boat from the new owner and continue to occupy the slip. Any transfer of boat ownership or other arrangement that changes the occupant's status as the slip holder will result in the termination of the agreement. Occupant may be required to provide proof of ownership or ownership status upon request of the park.

Mooring or dock space leases and applications for space will only be accepted in the name of one individual or a husband and wife. **Persons will not be added or substituted on slips or lists.**

2. Boat Registrations

All slip holders both in and out of state owning a boat propelled by machinery and electric motors must have a Pennsylvania boat registration as required by the Pennsylvania Fish & Boat Commission. The exception to this is if a boat is registered in another state, it is granted reciprocal privileges in Pennsylvania for up to 60 days before a PA boat registration is needed.

3. Boat Repairs

Extensive boat repairs within the marinas are not permitted. Tune-ups, adjustments, and minor repairs are permitted. A list of the park's approved Commercial Use Licensed Haulers and Repair Businesses are given to all slip holders at the finalization of a slip agreement.

4. Fishing

- Fishing from a moored boat by the slip holder is permitted during the boating season, pending courtesy and care are used so as not to cast into other moored boats.
- Public fishing from docks in the marina is prohibited from May 1 through November 1.
- Public fishing from a shoreline mooring area is prohibited from April 1 through November 1.

5. Insurance

It is recommended that insurance be carried on the boat. Slip holders are responsible for damages caused to others as well as to Commonwealth docks and facilities.

6. Modifications to Existing Slips

Shoreline mooring slip holders at Wyerough may construct removable wooden docks to assist with getting in and out of pontoon boats. All other shoreline areas will need permission from the park manager before any additions are made. Modifications to existing docks or racks is not permitted; however, movable steps to aid boaters getting in and out of boats are permitted pending the steps are not anchored into the dock in any way and the steps do not impede nearby boaters from getting in and out of their assigned slips. Steps must be taken with the boater when not in use and removed at the end of each season.

7. Mooring Decals

A mooring sticker must be displayed (as per the instructions on the back of the sticker) on each boat that is kept in a slip, rack, or trailered parking space.

8. Overnight Occupancy

Overnight occupancy is not permitted unless the boat is moored in its slip and marina grade porta-john or park restrooms are used.

9. Re-Application Procedures

Boat owners re-applying for a space or slip after not renewing a mooring space from the previous season, or not making the payment by the due date, or requesting voluntary cancellation of a boat rental space, or are found to be violating the mooring agreement, must re-apply for a new mooring permit as outlined above. This is subject to approval by park management.

10. Removal of Property

All boats and personal property must be removed from slips, racks and trailered parking spaces, by dusk on October 31st at the end of the mooring season.

11. Signs, Posters, Advertisements

Signs, posters, and advertisements are not permitted on boats in the marina. Boaters may place "For Sale" signs on their boats when in the slip only, as long as the sign is of reasonable size, neat in appearance, and affixed in a way to ensure it does not blow or wash off.

12. "Sold" Boat Policy

The buyer of a boat that is in a boat slip will not have the right to that slip unless he or she is the first person on the appropriate transfer or waiting list. If an occupant is planning on purchasing a new boat, he/she should check at the park office to be sure the size of the new boat is within the acceptable size classification for his/her slip.

13. Violations of Park Rules/Breach of Agreement Specifications

Any violation of existing laws, rules, regulations or policies, or any breach of the mooring agreement can be grounds for immediate termination of agreement with no refund.

E. BOAT AND DOCK RESTRICTIONS:

1. Boat Length and Width for Marinas

- Maximum boat length permitted in the marinas is 28'.
- Price is determined by the length of the slip or the length of the boat-whichever is greater
- The determination of size of the boat will be obtained from the manufacturer's specifications LOA (length over all). The Park Manager will evaluate any boat creating a hazardous condition at its assigned slip on a case-by-case basis. The Park Manager may reassign the boat to a different location; require reasonable appendages to be removed, or corrective action to be taken.
- In those instances where boats measure in between two different footage lengths, the exact length is recorded in the reservation system and an exact price is calculated.

2. Shoreline Mooring

Single shoreline spaces are available. Wider boats may require the purchase of multiple spaces. Shoreline pricing is a set rate and is not determined by length of the boat.

F. ASSIGNMENT OF SLIPS PROCESS:

Occupants must be the registered owner or a registered co-owner of a boat placed in a rental slip. When a boat owner who has a slip sells their boat, the boat should be removed from the slip prior to the sale and the park office should be immediately notified of this change.

When a boat is sold from a slip holder to another buyer, the slip does not transfer with the boat. Leases are prohibited.

Any transfer of boat ownership that changes the occupant's status as the slip holder will result in termination of the agreement.

1. Renewal Procedure

- For returning customers, a renewal contract will be mailed from Harrisburg in January of each year for the slip occupied the previous year.
- **The agreement must be signed and returned to the Prince Gallitzin State Park office by the last day in February with payment by cash, check, money order, credit card or gift card.**
Make checks payable to "COMMONWEALTH OF PA".
- Payments may be made by mail or **in person** to the Prince Gallitzin State Park Office by money order, check, credit card or gift card.
- Payments may be made **over the phone or online** with a debit or credit card.
- Cash payments are accepted only in person at the Prince Gallitzin State Park Office.
- Upon execution, a copy of the mooring contract and mooring decal for the occupants' boat may be picked up at the park office or it can be mailed to the

lessee providing the lessee submits a self-addressed stamped envelope with the returned contract.

- The mooring decal will not be mailed to the lessee until a signed mooring agreement is returned to the Prince Gallitzin State Park Office via email, fax, mail or in person.
- Agreements not renewed by February 28th will be voided.
- It is your responsibility to make arrangements for temporary address or phone changes such as wintering in another state, or extended vacations. The renewal contracts are sent from our reservation center, and we cannot make temporary address changes or intercept these mailings.
- Boat owners may receive automated telephone payment reminder calls.

After the February 28th due date, we will first begin to reassign spaces that have been vacated according to waiting and transfer lists. All other spaces will be filled by first come, first serve after these lists have been fulfilled.

2. Individual or Husband and Wife

Mooring space, waiting, and transfer list applications will only be accepted in the name of one person or a husband and wife. Co-owners with any other relationship will need to put the space in one person's name.

3. Marina Slips for Boaters with Disabilities

A boater who applies to rent a marina slip may be assigned a slip that is accessible to persons with disabilities. Every effort will be made to accommodate persons with disabilities. The transfer list process may still be needed to get a specific space.

4. Occupancy Regulations

A boat space is intended to be rented for use with the boat specified in the mooring agreement for that particular season. Occupants must have a current mooring agreement.

5. Process for Filling Spaces

If a slip is vacant with no waiting or transfer list, the slip is sold on a first come, first serve basis.

6. Transfer, Sale, or Inheritance of Lease

Transfer, sale, or inheritance of lease within a slip agreement is not permitted. New boat owners must either purchase a slip or be on a waiting list.

SEE WAITING AND TRANSFER LIST PROCEDURES BELOW

G. WAITING AND TRANSFER LISTS:

**Names on the transfer list are offered available spaces before those on the waiting list. After the transfer list has been fulfilled, available spaces are filled from the waiting list.*

1. TRANSFER LIST PROCEDURES:

- Boat owners currently renting a space or slip, may elect to add their name to a transfer list in the same marina or mooring area they are docked at by choosing only the spaces they would be willing to accept should the spaces they request become available in the future.

- Transfer list requests remain current for the duration a boat owner keeps a paid space. Transfer lists for spaces and slips are organized by type of boat (pontoon, sailboat, motorboat, etc.) and they are maintained in chronological order according to the date of the request.
- Boaters are responsible for the total slip or space fee if a rental space is accepted by the boat owner via the transfer list, plus the initial \$20 transfer list fee, which is non-refundable.
- As transfer slip spaces become available, the appropriate boater on the list will be contacted by phone and offered a space with a 7 business day deadline to accept. If the boater cannot be reached by phone, an email will be sent if an email address was provided by the boat owner. If the boater does not have email or cannot be reached by phone or email, a letter will be mailed, and the boater has 7 business days to respond. If the space is accepted by the boat owner, arrangements are made for the owner to sign a new mooring agreement and move the boat to the new space. If the offer of a transfer space is declined or the boat owner does not respond, the boat owner's name will be removed from the transfer list and their turn considered to be fulfilled.
- To be added to the transfer list in the future, the boat owner would need to pay a new transfer list fee.

2. WAITING LIST PROCEDURES

- If a mooring area is at capacity, boat owners can elect to add their name to a waiting list for a \$20 non-refundable fee. The fee is not subtracted from the cost of a boat rental space, if the owner accepts a space when contacted.
- Owners can be on multiple marina or mooring area waiting lists for a separate \$20 fee for each list. Waiting list requests remain current until the boat owner's name reaches the top of the list and is contacted and offered the available space. Waiting lists for spaces and slips are organized by type of boat (pontoon, sailboat, motorboat, etc.) and they are maintained in chronological order according to the date of the request. Boaters will be offered the first slip available when their name is reached.
- As waiting slip spaces become available, the appropriate boater on the list will be contacted by phone and offered a space with a 7 business day deadline to accept. If the boater cannot be reached by phone, an email will be sent if an email address was provided by the boat owner. If the boater does not have email or cannot be reached by phone or email, a letter will be mailed, and the boater has 7 business days to respond. If the space is accepted by the boat owner, arrangements are made for the owner to complete and sign a mooring agreement. If the offer of a waiting list space is declined or the boat owner does not respond, the boat owner's name will be removed from the waiting list and their turn considered to be fulfilled.
- Cost of the boat space will vary from the full season rate at the beginning of the season to a pro-rated season rate, depending on the time of the boating season when a boater's name is reached on the wait list.
- To be added to the waiting list in the future, the boat owner would need to pay a new waiting list fee.

H. Rates and Payments

1. Emergency Removal

An attempt to notify all affected boat owners by telephone and/or email may or may not be made before the park moves or removes a boat. In an emergency, to protect property and/or lives, it may become necessary to move or remove boats without prior notification. Every effort will be made to ensure that the owners are notified.

2. Pricing

Current pricing is available by calling the park office or by checking the pricing section of the State Park website at www.dcnr.pa.gov/StateParks

3. Refunds

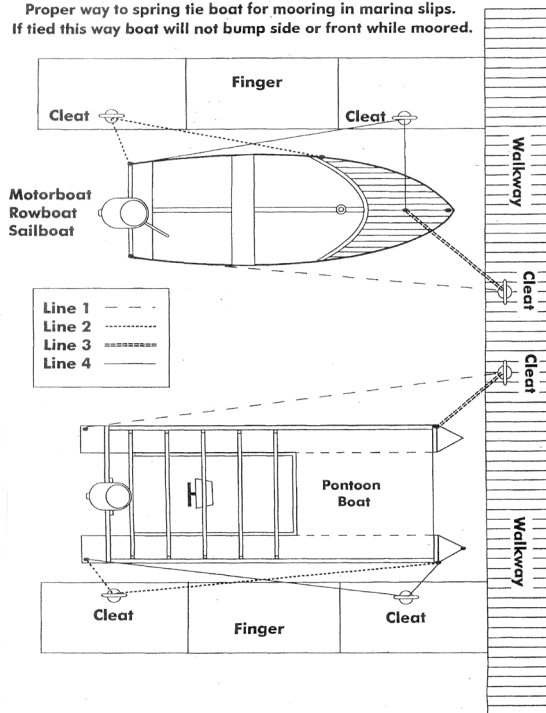

Refunds are available to boaters who voluntarily cancel their lease agreement during the course of the boating season before August 1 on a pro-rated basis. Transaction and/or early termination fees will apply. Refunds may be subject to additional rules according to the State Park refund policy available on the website at www.dcnr.pa.gov/StateParks

Refunds will not be given for natural occurrences that may restrict the use of some or all of the mooring areas. This includes but is not limited to storm damage, high water events, or low water events.

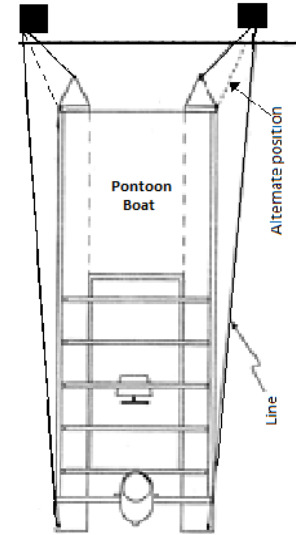

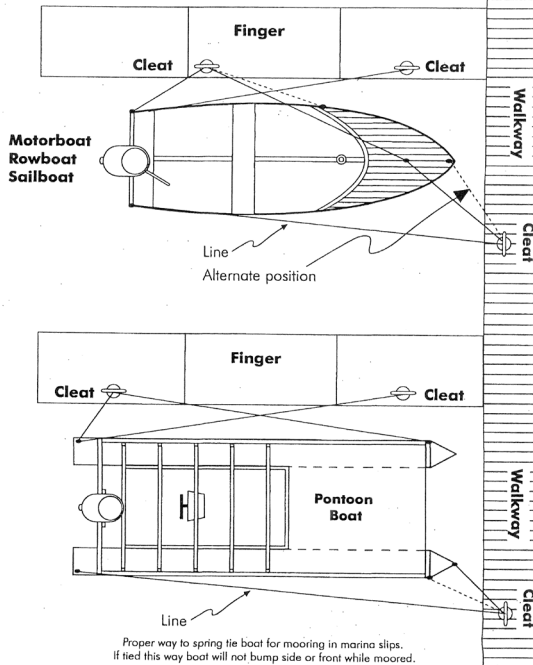

HOW TO TIE YOUR BOAT TO THE DOCK / SHORELINE

The enclosed diagrams show three methods of tying your boat. Securing your boat properly will best protect your investment and you will be helping us to maintain the marina in the best possible condition for future years.

Proper way to spring tie boat for mooring in marina slips. If tied this way boat will not bump side or front while moored.

The drawings below are appropriate for backing or pulling into a slip.

Proper shoreline mooring tie-up will prevent damage to yours & neighboring boats.

PLEASE USE ONE OF THESE METHODS TO SECURELY TIE YOUR BOAT TO THE DOCK

HAZARDOUS WEATHER

Welcome to Prince Gallitzin State Park. It is the desire of The Department of Conservation and Natural Resources that you have a safe and enjoyable visit while using the park resources. Hazardous weather can develop rapidly over this area during the summer months, and the associated strong winds, and lightning can create dangerous conditions during your visit to the park.

The primary responsibility for being aware of dangerous weather conditions and for taking appropriate action to ensure your safety, remains with you. Some websites/apps to access real time weather conditions on a smart phone are Weather Underground or The Weather Channel.

The park makes the following recommendations when there are signs of impending hazardous weather:

1. Seek the closest appropriate shelter. We recommend you seek the best possible cover in your area. The best possible shelter may be your car, a pavilion, a restroom, or other available shelter. All boaters should head for shore and seek the best possible cover in their area.
2. Being out on the lake during hazardous conditions is extremely dangerous and visitors are urged to err on the side of caution and head for safe harbor. Once it is obvious that all signs of storms have passed, you are welcome to resume outdoor activities.

PRINCE GALLITZIN STATE PARK
966 MARINA ROAD PATTON PA 16668
PHONE: 814-674-1000/FAX: 814-674-1010

EMAIL: princegallitzinsp@pa.gov ON THE WEB: <http://www.dcnr.state.pa.us>

Greetings 2024 Marina and Shoreline Mooring Patrons

Welcome to Glendale Lake at Prince Gallitzin State Park. We hope 2024 is a great boating season for all park visitors. We will maintain sites for marina hosts at Prince Gallitzin and Beaver Valley Marinas to continue support for boating patrons. As you prepare for the boating season, please consider the following:

- Boat motors are restricted to 20 hp or less & boat length is limited to 28' at the Marinas.
- Visit <https://www.fishandboat.com> for boat registration requirements and Pennsylvania Boating Handbook information.
- Read & comply with all guidelines on your watercraft mooring agreement; inform park of address/phone/email updates.
- Wash your boat before and after using Glendale Lake to prevent the spread of invasive plants, snails, mussels, etc.
- Report strange or unusual behavior in the vicinity of the marinas or mooring areas to park rangers or marina hosts and to deter theft, it is recommended that batteries and fuel tanks be locked or removed between use.
- Carry proof of boat ownership and personal ID to provide to rangers if asked.
- Boats should be properly secured in your assigned space (see tie out diagram on reverse side). Failure to properly secure boats, which leads to damage of park property, may result in repair fees or a citation.
- Boat slips may not be transferred or sublet. Check with the park office for waiting & transfer list information.
- Use services of a vendor who has a Commercial Use License with the park (please see licensed vendor list below).

NEW & UPCOMING FOR 2025 - \$10 replacement fee for lost or misplaced mooring decal stickers

2024 Commercial Use License Vendor List

Prince Gallitzin State Park has offered private businesses outside the park the opportunity to obtain Commercial Use Licenses to conduct certain boating related commercial activities within Prince Gallitzin State Park.

Following are the two types of Commercial Use Licenses and the 2024 Commercial Use License holders:

- 1. Removing and hauling moored boats to storage areas outside the park at the end of the boating season and for hauling boats from winter storage areas and launching and mooring them at the beginning of the boating season. Hauling, launching, and mooring boats for the purpose of taking them away for repair and delivering them after repair. Hauling away boats for display and sale elsewhere.**
 - Beaver Valley Hauling and Storage (Terry L. Westover) 814-687-4307
 - Glendale Boat Sales, Inc. 814-943-5144
 - Prince Gallitzin Marina Concession 814-674-2499
- 2. Repairing/servicing boat motors and boats that are moored in the park that are not located on the leased premises of the Prince Gallitzin Marina Concession. The leased premises consist of the rental docks and gas pier docks.**
 - Glendale Boat Sales, Inc. - Repairs & Service 814-943-5144
 - Prince Gallitzin Marina Concession - Rentals, Gas, Towing 814-674-2499
 - Tacketts - Welding & Minor Repairs 814-242-5385
 - Kristena Martin (Snow Tiger Designs) - Upholsterer 814-569-9242

If a service is to be provided to you inside the park by an outside-the-park vendor, the Bureau must properly license that vendor. The vendors listed above are properly licensed for 2024. Please remember that the holder of a park-issued Commercial Use License is only permitted to provide the products or services for which the license was issued.

Should you pay someone to seasonally haul your boat to/from the park, the person you use must be properly licensed with the park. Mooring space occupants engaging unlicensed haulers could lose their mooring space privileges. Thank you for your assistance in helping us with this concern. **Have a safe and enjoyable boating season.**

WATERCRAFT MOORING PERMIT

This is a mooring permit issued by the Department of Conservation and Natural Resources ("Department") to the owner or lessee of the watercraft specified below ("Permittee"). (If issued to owner, list ALL persons listed on title/registration, and address of each owner.) The permit is subject to the conditions below. Compliance with the conditions is the responsibility of Permittee.

- 1 **LOCATION AND DATES.** The watercraft may be moored in PRINCE GALLITZIN STATE PARK at the numbered slip, space or leased campsite dock indicated above, from MAY 01, 2024 through OCT 31, 2024, the date of expiration of this permit. The watercraft shall be removed from Department property on or before the expiration date.
- 2 **FEE.** The mooring fee is \$0.00. Checks shall be made payable to "Commonwealth of Pennsylvania."
For State Parks only: Mooring fee is based on Permittee's residency. Permittee is RESIDENT of Pennsylvania. If Permittee claims Pennsylvania residency status, he/she certifies under penalty of the Pennsylvania Crimes Code, 18 Pa.C.S § 4904 (b) (relating to unsworn falsification to authorities), that he/she is a resident of Pennsylvania based on Pennsylvania income tax.

3 **WATERCRAFT.**

Watercraft Type		Year		Construction		HIN	
Manufacturer				Motor Make			
Model				Capacity		HP	
Width - ft		Length - ft		Boat Registration #			
				Trailer License			

- 4 **DECAL DISPLAY.** A valid mooring decal that is issued pursuant to this permit must be affixed to the watercraft aft of amidship on the starboard (right) side. Also a valid registration number and validation decal, or a valid use permit, issued under Fish and Boat Commission regulations (58 Pa. Code Part II) must be displayed in accordance with Fish and Boat Commission regulations.
- 5 **WATERCRAFT REPLACEMENT.** The watercraft identified in paragraph 3 may not be replaced with another watercraft without prior written approval.
- 6 **LAUNCHING.** The watercraft may be launched on any Department lake open for public boating during the calendar year 2024.
- 7 **MAINTENANCE.** The watercraft shall be maintained in a clean, sanitary, safe and presentable condition.
- 8 **LAWS AND REGULATIONS.** All applicable federal, state and local laws, ordinances, rules and regulations now or hereafter in effect, including the regulations of the Department, shall be complied with. If mooring area or marina guidelines are provided at the State Park or State Forest, they shall be complied with.
- 9 **MOVING WATERCRAFT.** Department may move the watercraft from the originally assigned slip, space or dock to another. Because of draw-downs, improvements or repair to impoundments, or water level, Permittee may be required to remove the watercraft.
- 10 **NO SUBLETTING/TRANSFERRING.** This permit may not be assigned or sublet. The permit is not transferable.
- 11 **OWN RISK.** Use of this slip, space or dock shall be at Permittee's own risk. Department is not responsible for the care or protection of the watercraft (including its gear, equipment and contents) or for any loss or damage arising from activities subject to this permit. Department gives no warranty as to, and shall not be responsible for or liable for, any injuries or damages arising from the condition of floats, docks, walks, gangways, ramps, piers, mooring gear or equipment.
- 12 **INDEMNIFICATION.** Permittee shall indemnify and hold harmless the Department and its officers, agents and employees from all costs, damages, expenses, claims, demands, suits and actions arising out of activities subject to this permit.
- 13 **REVOCATION UPON PERMITTEE NOT OWNING/LEASING WATERCRAFT.** This permit shall automatically be revoked and become void if Permittee ceases to be the owner or lessee of the watercraft or if Permittee sells the watercraft and then leases it from the new owner.
- 14 **REFUNDS.** A \$10 administrative fee is charged for any refunds issued at the request of Permittee. No refunds will be issued upon a revocation of this permit or if Permittee surrenders the permit after August 1st of any year.
- 16 **FAILURE TO REMOVE.** If the watercraft is not removed from Department property promptly upon the expiration or revocation of this permit:
 - a. Department may itself or through a third party remove and store the watercraft at Permittee's risk and expense.
 - b. Department may proceed to acquire title to the watercraft in accordance with Fish and Boat Commission procedures.
 - c. Permittee will be responsible for all fees for removal, storage, Fish and Boat Commission procedures, and any other costs incurred by Department due to failure to remove the watercraft; Department will have a lien on the watercraft for all such fees and costs until they are paid.
 - d. Permittee may be prosecuted for violation of state park regulations including 17 Pa. Code §§ 11.209 (b)(1) (failing to comply with a condition of a permit), 11.209 (b)(4) (obstructing or impeding persons or vehicles), and 11.219 (h) (boating-mooring, anchoring and storing).
- 17 **CHANGE OF ADDRESS/PHONE.** Permittee shall promptly notify Department in writing of any change in address, phone number, or email

Crooked Run Campground

Crooked Run Campground is a large forested tent and trailer camping area with 10 loops. It has modern campsites (electric, non-electric, full-hookup, pull-thru, and pet-friendly), camping cottages, and deluxe camping cottages. In the campground, there are laundry facilities; playgrounds; general store; boat rental, launch, and mooring; swimming area; amphitheater; hiking trails; Humps & Bumps biking area; and restrooms with warm showers. ADA accessible campsites, restrooms, showers, and cottages are available for those with disabilities.

Camping and deluxe camping cottages sleep five people in single bunk beds and double/single bunk beds. They have a dining table and chairs, electric heat, lights, outlets, porch, picnic table, and fire ring with a grill. Deluxe camping cottages also have a stovetop, microwave, and refrigerator.

CAMPING SEASON: This campground opens in mid-April and closes in late October.

RESERVATIONS: Most campsites in Pennsylvania state parks can be reserved 11 months in advance to noon of the day of arrival. Campers without a reservation arriving after noon should check at the contact station or near the campground entrance for instructions.

Reservations can be made using MasterCard, VISA, American Express, and Discover credit cards; personal, traveler's, and cashier's checks; or a Pennsylvania State Parks Gift Card. To receive a confirmed reservation, full payment must be received within ten days of making the reservation.

For reservations, call the Pennsylvania State Parks Reservation Center at 888-PA-PARKS (888-727-2757), Monday to Saturday, 7:00 AM to 5:00 PM or visit <http://pennsylvaniastateparks.reserveamerica.com>.

CAMPSITE ISSUING: Advance reservations are available for almost all campsites. Unreserved sites are available on a first-come, first-served basis. If an employee is not available, read posted instructions, and check the site availability listing.

The appropriate fee must be paid to a park employee or deposited in a supplied honor system envelope before setting up on a campsite.

CHANGES AND CANCELLATIONS: Cancellations, changes, or transfers to reservations will be assessed a fee and can be made prior to arrival by the Pennsylvania State Parks Reservation Center.

Any cancellation, change, or transfer made upon arrival must be processed through the state park. For complete information on fees, cancellations, changes, transfers, and discount policies, view the Reservation Cancellation/Change Policy at the website above in the "Reservations" section.

Campground Rules

CHECK-IN/CHECK-OUT TIME: Check-in time is 3:00 PM. Campsites must be vacated by 3:00 PM. Cottages must be vacated by 10:00 AM.

ALCOHOLIC BEVERAGES: Alcoholic beverages are prohibited in all Pennsylvania state parks.

PETS: Pets are only permitted in designated loops and pet walking areas. Please contact the park office or contact station for pet guidelines. Pets are prohibited in swimming areas, buildings, and overnight facilities not participating in the pet program. Guide dogs and service dogs are not considered pets.

NOISE: Campers must not disturb the sleep of others between 9:00 PM and 8:00 AM. Operation of electric generators that create excessive noise is prohibited.

OCCUPANCY: Site occupancy is limited to one family unit (persons living under one household) or five unrelated people per site. Occupants must include at least one person 18 years of age or older at all times.

MOTOR VEHICLES: One vehicle is permitted at a campsite in addition to a camping unit. If permitted, additional vehicles can park on the campsite for a fee or in second car parking at no charge. All vehicles must back onto the camping spur. Parking or driving on grass is prohibited. Small camping spurs that do not accommodate a vehicle have designated parking at specified campsites. See map for locations.

VISITORS: Visitors are welcome on campsites from 8:00 AM to 10:00 PM.

MAXIMUM CAMPING PERIOD: Campers may stay in a state park campground up to 14 consecutive nights from Memorial Day to Labor Day. If reserving a Saturday during the summer season, a two-night minimum stay is required. Campers may camp up to 21 consecutive nights during the remainder of the year.

HUNTING: Use **extreme caution** with firearms at all times. Other visitors use the park during hunting seasons. Firearms and archery equipment used for hunting may be uncased and ready for use only in authorized hunting areas during hunting seasons. In areas not open to hunting or during non-hunting seasons, firearms and archery equipment shall be kept in the owner's vehicle or enclosed trailer. Exceptions include: law enforcement officers and individuals with a valid *Pennsylvania License to Carry Firearms* are authorized to carry a firearm concealed on their person while they are within a state park.

Protect and Preserve Our Parks

Please make your visit safe and enjoyable. Obey all posted rules and regulations and respect fellow visitors and the resources of the park.

- Be prepared and bring the proper equipment. Natural areas may possess hazards. Your personal safety and that of your family are your responsibility.

- Please camp only in designated areas and minimize your impact on the campsite.

- Prevent wild fires. Fires are only permitted in fire rings or grills. Gas and propane camp stoves are permitted. Fires must be attended at all times and extinguished before leaving a campsite. Properly dispose of hot coals.

- Firewood is not provided. Cutting live or standing trees and the operation of chainsaws are prohibited.

- Firewood Advisory: Firewood may contain non-native insects and plant diseases. Bringing firewood into the park from other areas may accidentally spread pest insects and diseases that threaten park resources and the health of our forests. Use local firewood. Do not take wood home and do not leave firewood. Burn it!

- Handwashing and dishwashing are permitted only where appropriate facilities are available. Washing is prohibited at water spigots, hand pumps, springs, lakes, and streams.

- Because uncontrolled pets may chase wildlife or frighten visitors, pets must be physically controlled, attended at all times, and on a leash, caged, or crated. Electronic fences and leashes are prohibited.

- Do your part to keep wildlife wild! Enjoy wildlife from a safe distance and do not feed or approach wild animals. Human food is unhealthy for animals and animals dependent on human food can lead to dangerous human-animal encounters.

- Please recycle. Place trash accumulated during your stay in proper receptacles or take it home with you.

Access for People with Disabilities

This publication text is available in alternative formats. If you need an accommodation to participate in park activities due to a disability, please contact the park you plan to visit.
